PAOC 149 lost to Pembroke 158 & 9/80

Played Pembroke at Haslam Oval, round 4 in a match we should have won but didn't. We had them 5 for 64 at tea on day 1 after Styles (*proudly sponsored by BOC*) went none from four at the coin toss. A couple of frustrating stands after tea with their number 8 hitting fifty and their number 4 amassing a patient 31 in 3 and a half hours from 181 balls with no boundaries gave them a handy total of 158. Bowie (*proudly sponsored by Paramount Browns*) and Boo (*proudly sponsored by Coffee World*) were the pick but the wickets were shared between six bowlers.

We faced out seven overs on day one to finish at 1/18, Walshy (*proudly sponsored by Dave Larkins Graphic Design*) losing his off peg first nut. Skipper fell first ball of week 2, Clownfield first ball of second over, Keg also soon after, not having the impact of the game before. From here we steadied with Boo and Richo (*proudly sponsored by Tim Hall c/o Kain C+C Lawyers*) providing resistance against some tidy Pembroke bowling while Christo piled on the runs at the other end. At 6 for 130 the game was ours for the taking but Christo departed for 80 then the remaining batsmen fell to an inspired Donkey who bowled Pembroke to the win. Phillips batted well for 0 not out. Our Coach, Matt Christophers scored well over half the team's runs and batted beautifully however I fear this match will be better remembered for an incident after the match, photos are available but it is disturbing viewing.

We had them 9 for 80 in a boring 33 overs to finish the day. Again Gorilla Bowie and Boo bowled good lines, rewarded with 3 wickets each and it was good to finish the game well but our batsmen did not do the job this game and that was disappointing.

B Grade

PAOC 203 & 2/75 defeated SHOC 172

The B's returned home to Park 9 to take on SHOC's A-Grade. We won the toss and elected to bat on a very good Park 9 wicket. Batting has been a major weakness for the B-Grade for a number of years now so we set ourselves the target of batting out our 80 overs and scoring over 200.

Richo and Hockers (*proudly sponsored by Todd Brown*) opened up but we lost Richo early (1 for 7). Weeks looked good again but was unlucky, being caught by at silly mid from a full blooded hook shot (2 for 16). Jesse Vass joined Hockers and they batted patiently before Jesse fell LBW for a patient 14 off 50 balls (3 for 49). Weed (*proudly sponsored by Ferrier Hodgson*) came in and looked to lift the run rate but holed out to cover for 13 (4 for 65). Wints (*proudly sponsored by Paramount Browns*) then joined Hockers and we made it to 4 for 71 off 40 overs at tea. After tea, Wints combined some strong drives with plenty of patience and together with Hockers, put on 110 for the 5th wicket. Hockers was outstanding once again, making 78 off 186 balls and batted with a torn hamstring (and a runner) for about 10 overs. Wints made his maiden B-Grade 50 before being dismissed for 57 off 125 balls. We really hope this is the start of some big things for Wints. We were well placed at 4/170 off 70 overs and could have easily posted a score of 220 – 230 but were bowled out for 203 just short of the 80 over mark. Despite this, it was a great effort from the B's and it was pleasing to see all batsmen knuckle down and value their wicket.

Returning on day two, with runs of the board, we were confident that we could get the job done. Burf (*proudly sponsored by Richard Hockney*) and Matty Davis opened up and both bowled 11 overs straight. Burf took the first three wickets, including clean bowling their two best players. Evan Lucas bowled first change and was swinging the ball a long way. He took two wickets also and we went to tea with the game very much in the balance with SHOC on 5 for 109 off 40 overs. After tea, the ball stopped swinging and the pitch flattened out and the SHOC batsmen batted sensibly, slowing creeping towards our score. Aaron Richards took a one hander at short cover to dismiss their top scorer but at 7 for 165 and only 38 needed, the game was very much in the balance. Enter Justin Mitchell. Justin's had bowled a solid first spell but returned in style, picking up the last three wickets (two bowled and one LBW). SHOC were all out for 172 resulting in a strong win for the Reds. Max Burford was outstanding and easily the pick of the bowlers, picking up 4 for 25 off 19 overs. Max has taken 14 wickets at an average of 7 this year and shouldn't be too far off making his A-Grade debut. He was well supported by Mitchell (3 for 28 off 9.3), Lucas (2 for 27 off 11) and Davis (1 for 49 off 16). Jesse Vass should also get a mention for an outstanding effort with the gloves in trying circumstances due to the variable Park 9 wicket.

We scored some additional bonus points in the remaining hour of play, finishing 2 for 75 off 13. Richo (29) played some classy pull shots and Jess Vass (35*) continued to impress.

The B's sit in 4th spot after 4 rounds but play 3 of the top 5 teams in the next 3 games. The results in these games will go a long way towards determining where we will end up this season.

C Grade

PAOC 143 & 7/80 defeated Hectorville 95

C-Grade travel to the picturesque Daly Oval in Hectorville to take on the Hounds. On a perfect day for cricket Captain Jack (Sparrow) (*proudly sponsored by Lightsview*) won the toss and had no choice to bat. The Hectorville bowlers were on the money early on and it was clear from the first ball that this was a class bowling attack, our first real challenge of the year. Jonesy and Austy made a solid start and were patient before Charlie hoyked at a straight ball and was bowled for 6. Smithy came and went with the next ball and we were 2 for 33. Gav and Huddo stuck it out for a while and got us back on the front foot before Gav was dismissed for a well-made 34. An all too familiar middle-order collapse ensued and we lost Tapey and Selthy for a handful between them before Dave Larkins was sent out to steady the ship. He and Huddo put their heads down and had to work very hard for their runs, but saw us through until tea at a modest but acceptable 5 for 90. After the break their bowlers got back on top and the lads toiled to keep their wickets, and did so before DL lost his patience and spooned a cherry to mid on. It was a gutsy partnership by them but needed some backing up. Unfortunately Gerner (*proudly sponsored by Avante Mapping*), Presty and Doctor Richo came and went without too much fuss and the tail went rather limp. The skipper was again denied a 50 as Huddo finally decided to have a swing and was caught out for a patient and hard-fought 48 off 136 balls, Jack left stranded agonisingly on 0*. We had 13 overs at them and were wicketless for about 20 overnight, and staring down the barrel of the first defeat for the season.

The Amhara rain dance undertaken by the team worked the following Saturday, although a light sprinkle in the morning wasn't enough to affect play. No matter ... the reds rolled up their sleeves and set about taking a few early poles. Captain Jack and Richo opened up and unrolled what can only be described as some of the tightest bowling we've witnessed in an age. Dave Larkins was brought on as first change and kept the pressure well and truly applied at both ends as the three bowlers rotated through. The pressure paid dividends as we took a few early wickets and had a look at their middle order before the first drinks break. A couple of absolutely shocking decisions went against us, but as so often happens this did nothing but fire the reds up in the field and the following 15 overs were some of the most intense and tight overs this sports critic has witnessed on the field. Just when the Hounds looked like consolidating and putting together a much needed partnership Gav Jones stepped up and brilliantly ran their skipper (and probably most decent batsman) out and the avalanche began. Smithy was brought on for a 1 over spell before tea and managed to bamboozle the batsmen as he was bowled around his legs, we'll claim it span a mile Smithy! Even Presty stepped up after his record-breaking performances of the previous game and managed to land a few on the pitch, his one over spell conceded just the one Warwick Ide, and the Heccie boys realised this wasn't to be their day! DL was as "Extreme" as I've seen him, pulling out some of the more imaginative and comical sledges we've had in a while, it really was the Reds' day as we bowled Hectorville out for double figures and recorded a remarkable come-back and fourth straight win. Richardson 2/35 off 20, Brabham 4/34 off 24, Larkins 2/15 off 15, Smith 1/5 off 2, Prest 0/1 off 1.

Cue circus music: We were sent back in for 23 overs of expression in the hope of picking up a few bonus points. What ensued can only be described as a pitiful and embarrassing schamozzle as we slumped to 7 for 80 before Huddo, batting at 9, put the shutters up and saw out the Hectorville part-timers. The only highlight being Extreme antagonising their genuine quick resulting in about 10 straight bouncers. Not the greatest end to the game, but we had done the hard work to secure the points, and the Juggernaut rolls on.

PAOC 154 lost to Woodville South 180

Shooting for our 4th win of the year, we took on Woodville South at Devitt Oval. Things didn't go to plan, we lost the toss and were sent into the field. While Elliott Monfries in his return to wicket keeping took a sharp catch third ball off the bowling of Josh Orken, the lackadaisical tone we carried for 40 overs was set the ball before when Alex Marantos (*proudly sponsored by Chris Drew*) dropped a soda at gully. Eight catches were dropped in an embarrassing session between the drinks and tea break, and bowlers struggled to grasp the concept that with two strong batsman at the wicket, we weren't going to get wickets bowling juicy full tossers to them. To Woodville South's credit, they took full toll on our errors, with two of their bats both reaching half centuries. Robbo took two wickets (2/17) shortly before tea to rescue some momentum, but at 4/140, things were looking grim. We came out into the field with a new attitude, and one bowler that really shone through was Jack Zacker. He continued an excellent spell taking 5/25 after tea to finish with 5/33. Josh Orken bowled a much better second spell to finish with 2/29, however a 28 run 10th wicket stand would frustrate us and prove crucial in deciding the fate of the match.

We got a head start on the runs through the help of Alex Marantos, who made a chanceless and sensible 40 not out, while Robbo looked ominous for 12 before he was run out, and Thumper survived day 2 to take the score to 1/69 overnight.

We were confident going into day 2 that we could get the runs, however Hamish Eske (who was resuming Lexi's innings as sub) was bowled early for 2. Ben Lobban batted well for 12, however when he and Thumper (26) were dismissed in consecutive overs we were in trouble at 4/99. Jack Zacker and Elliott Monfries got together and put on another 20 runs before Zacker was fired LBW. Mono batted well for 19 however a rush of blood proved costly, and when Cunners was well caught in slips for 11, at 7/141 the game was as good as over. Will Farminer hit the ball crisp for 10 and deserves an opportunity to bat up the order, however he ran out of partners and hauled out to be all out for 154.

A disappointing fielding effort, and a lesson in how not to manage a chase. The game was lost on day 1, if we took our chances we would have been chasing 120, and while we didn't do much wrong after tea, the 28 run 10th wicket partnership was the difference. Plenty of work to be done at training ahead of a must-win game against Ingle Farm.

Rd 5: PAOC 8/158 defeated Trinity Old Scholars 9/152

With half our team running late, VC Reed was forced to take the toss and without sufficient time to prepare himself, unfortunately his call was inaccurate. Put in the field our remaining 5 players arrived with 3 minutes to spare and we walked out onto the park like any rabble you'd expect in LOD cricket. Starting his run-up with a belch, and then a groan half way in, it was Andrew Heitmann (*see player sponsors below**) who picked up a wicket with the first ball of the game. We took regular wickets throughout their innings, however runs also flowed at an alarming rate. At drinks they were 5/90 and we had to make sure we tightened up in the field. Burra did just that bowling his 9 overs to collect figures of 3/18, while Heito (3/19) and Tyndall (2/22) were the other impressive bowlers. We fielded well with 5 out of 6 catches being held which went a long way to restricting them. Unfortunately an unbeaten 10th wicket stand of nearly 40 runs let Trinity off the hook a little as they posted a very competitive 152.

Our run chase didn't start well and after a dozen or so overs we were 4/25 and looking down the barrel of an early finish. Chook Fowler stood strong and together with Burra they put on a small partnership before Heito sent the VC on his way much to the delight of the chirpy Trinity boys. Scooter came and hit a brisk 14 before he departed and at 6/70ish, we were in all sorts needing another 80-odd runs. Chook combined with Captain Kildea (*proudly sponsored by Avante Mapping Solutions*) to consolidate the innings and bring us within striking distance. With 8 overs to go and 40 runs needed, the Skipper fell brining our unknown, Pat McCole to the crease. In his 7 matches for PAOC, Pat had a total of 1 run to his name, so it was to everyone's shock, and pleasure as Patty put their spinner over cow corner for a 1-bounce four. Another boundary and a couple of 2s, soon put the game well in our control. Meanwhile at the other end Chook brought up his 50 and continued on in what was a great innings of patience, combined with the ability to put the bad ball away. Needing just 3 runs to win unfortunately Pat got out and it was up to Heito to hit the winning runs as he worked one to wide-third man and took on the fielders arm to charge home for the winning runs!

A great win that gives our E-grade some momentum; just what we needed. It was good to see the boys knuckle down and fight the game out against the B-grade from Trinity. And with the return leg against Trinity in just two weeks, we are happy to go in with the upper hand in what is sure to be another lippy game!

Rd 6: PAOC 5/160 defeated Old Ignatians 7/158

Travelling back to Iggies after a solid victory there just 2 weeks ago, the E-grade strengthened by several players from higher grades was quietly confident of a comfortable victory. Unfortunately Iggies had their own recruits with a couple of star batsmen that got their innings going with a 97 run opening stand. Iggies were 1/126 with 12 overs to go and we were looking down the barrel of chasing a huge total. Thankfully PA Politis (*Sponsored by Westpac Home Finance – Newton*) bowled a wonderful spell of hand-break bowling picking up 3/21 off 8 overs, then Heito (*see player sponsors below*), Burra and Drewy (*Sponsored by IGA Hahndorf*) closed out the innings with limited fuss to restrict them to 158.

Congrats to Johnny “Buckets” Coop (*Sponsored by Infocus*), whose glove work is improving steadily and he claimed his first career stumping to help PA claim the all-important first wicket.

A strong batting line up and we were still reasonably confident. We managed to put on 5 of 6 partnerships in double figures using the Ben Hook KPI to wonderful success as the team batted around Chris Drew who just did what the GOAT does, compiling an unbeaten 70, to see our boys cruise home with overs in hand.

A great effort by the boys to fight back after a disappointing start, that helps put our season back on track. A big month ahead will determine how far our season extends.
