

Mason Angove (right) is this weeks top performer. Ryan Winter (left) didn't do much but because we love him, he's on the front of the newsletter anyway.

## Coopers Player Of The Round Round 6

## A Grade

### PAOC 106 lost to Woodville Rechabites 241

Last game before Christmas break with a 5 and 1 standing in sight we faced Rechabites away and over two rain affected weeks we were completely outplayed, falling back to the pack with a 4 and 2 record at the break.

We won the toss and sent them in on a green deck and although our bowlers toiled hard without much luck we also dished up too many four balls that were rightly dispatched on most occasions. Tim Boo continued his great start to the season with 5 for 55 and Bowie and Filly provided good support taking 3 and 2 respectively.

Beside a confident opening stand between inform batsmen Keagan and Hurb we were horrible with the bat on week 2. At 0 for 43 we were well on track but losing ten for 66 to be bowled out in under 40 overs was hugely disappointing, again the middle order lacked purpose and resilience especially considering the dark clouds on the horizon.

Sent back in for a second bat we saw out eleven overs with Hurb and Keg again starting well before the rain came and ended a forgetful two days of cricket.

## B Grade

### PAOC 9/146 lost to Brahma Lodge 5/149

The final game before Christmas was a crucial one for the B's. Unfortunately it was one that never got going and the pre-game preparation probably had a lot to say for the end result. We were sent in by Brahma Lodge and Hocks and Weed opened up. Weed's run of outs continued as he was out early. Hocks and Richo both looked solid as did Drewy but none got going. The pitch was a tad slow and Weeks (29) and Wints (14) battled hard throughout the middle of our innings but struggled to break the shackles. Lexy came in with a few overs to go and started quickly but was out for 14 and Mitch made a handy 13 at the end. All in all, Brahma Lodge bowled tight lines and lengths and fielded and caught well. As a result, we were restricted to just 9 for 146 off our 50 overs.

With a storm on the way, we knew that we would either have to bowl Brahma Lodge out or keep the runs down to hold out for a draw. Unfortunately we couldn't do either. Matty Davis picked up a couple of early wickets but we continually bowled one or two loose balls an over and Brahma Lodge took full toll. As the rain came, Brahma Lodge reached our score and finished 5 for 149 off 33 overs when stumps were called early. Matt Davis bowled well (3 for 37) and Justin Mitchell bowled without luck (1 for 33).

We head to Christmas in the top four but having lost comprehensively to two of the other top four teams. We play the other top four team straight after Christmas and our players need to come back from the break ready to work hard if we are going to make finals and also have impact if we get there.

## C Grade

### PAOC 9/235 defeated SHOC 84

Round 6, washed out first week and again a one dayer - hosting SHOC at Park15. Entering the game 5-0, with a win would put us in a dominant position at the Christmas break, this was what we set out to achieve. At the toss we had serious doubts as to whether the game would get underway or last an hour due to predictions of heavy thunderstorms all afternoon. We decided to take an aggressive approach, won the toss & in true Brabham style sent the opposition in.

Josh Hall, making his debut for the C Grade in 2011, took the new rock, however had serious trouble standing up, as a result his HawkEye would've shown him sliding 2m at the crease & pitching the ball on the bowlers side of the pitch for all 6 deliveries. Fortunately, one of these the batsman couldn't get his bat out the way of edging to Schulzy for a fine catch. Jack bowled from the other end & was clocked for six second ball, Hally was immediately replaced after 1 over by Brooksy who took the wicket of their other opener caught by Pitto at 2nd slip. The next few overs proved a little expensive with Jack not finding his rhythm & Brooksy losing his way Steve Harmison (Presty) style. On came Dave Larkins who bowled exceptionally well for 2/18 bowling his full 10 straight, he was unlucky not to grab 4 or 5. Huddo has been fined quite regularly for dropped catches over the past few rounds. Zacker bowled from the other end & didn't put a foot wrong finishing with another Michelle (5/12 off 7.5 overs including the last 3 wickets without a run scored). It seems to be his year! All out for 84, a low total but a dangerous score given the conditions.

Opening up was Gav Jones & Schultz. Gav looked a million dollars, with trademark cuts & drives, before he was dismissed for 12, Schultz also fell for 12. Pitto made a nice start but fell for 15, Huddo bowled for 2 & at 4/62 SHOC could smell the rain coming. Enter Tys Smith & Dave Larkins - both batted very well with Larkins hitting 3 beautiful boundaries off the final over before tea to ensure we passed their total & weren't stranded if the rain came during the tea break. A crowd began to form at P15 formed of D grade & a few others drinking the Captain Morgans encouraging the team to have a bit of fun. Tys made 35 & DL a very valuable 43. Dave Gerner made a solid 18 and didn't run out Extreme. Hally pestered to be promoted, came in, charged the 1st ball for 4 but forgot to charge the 2nd when should have thus bowled comprehensively.

Enter Nick Brooks looking resplendent in a white floppy. To the jeers of all he somehow successfully played a defensive shot to the 1st ball but the need to entertain then got the better of him. What followed 444..644.24464.46 consisted some of the biggest & wildest swings seen at P15. With the now well lubricated crowd continually being brought to their feet even the Gods were entertained with his first 6 accompanied by an appreciative clap of thunder. Brooker's 50 was secured with a 6 off only the 17th ball he faced - surely a club & possibly association record. With the rain denying what was potentially a 30 ball hundred we finished at 9/235 of only 38 overs.

It was a terrific team win against another club's B grade. We go into the Christmas break at 6-0, the C grade sitting atop the table in a commanding position leading into the second half & business part of the season.

## D Grade

### PAOC 200 lost to Grange 212

Presented with a surprisingly dry wicket, we won the toss and elected to bowl in our Round 6 encounter vs Grange, on the Back Oval. Hamish Eske took the new ball and bowled a terrific spell of bowling down hill, unlucky not to take a wicket. While Mason Angove got a couple of early breakthroughs, Grange's captain batted well to hold their top order together. At 4/140 at tea, we were staring down the barrel of a chase of 300+. Mason changed ends after tea and reaped the rewards, taking 4 wickets to finish with 6/57 off 15 overs, a terrific return after struggling to find rhythm coming up the hill into a stiff breeze. Hamish return to clean up the tail to finish with 2/64 off 15 overs to dismiss Grange for 212.

With 17 overs to bat, we entered an important period. Sam Wood ([proudly sponsored by Conquest Solutions](#)) lost his wicket early, but with a glint in his eye after a successful night of dice rolling, PAOC's own love rat, Shane Roberts worked hard to survive. Joined by the skipper ([proudly sponsored by Pyrotek Noise Control](#)), who should have been out twice, the pair survived to take the score to 1/34.

With some inclement weather floating around, we felt best to have a go and try and get the runs fast. In hindsight, this was a mistake, and we should have left the batting order the way it was. We lost 5/38 to be 6/72 when Ben Lobban and Rowan Tape came to the crease. Both batted well in tough conditions early, and wrestled back some momentum before a mix up left Rowan Tape run out for a well compiled 16. Mason Angove came to the crease and batted really well in support of Rosey who was starting to get on top of the bowling. We got to tea at 7/180, however second ball after tea Rosey was out for 78. Mason was dismissed a short time later for 22, while Toby Nihill provided a brief cameo of 13 before we were bowled out for 200.

Disappointing way to end a positive start to the season. Twice we've lost games we've been in control of after day 1, and it's something we'll need to learn from going forward. After six rounds we only have two players with over 100 runs, and one player with over ten wickets (who is now in the C-grade). If we want to win games of cricket, we need players to work harder at training and have a more even contribution on a Saturday.

## E Grade

Rd 10: PAOCC 8/106 (31) drew with Concordia OC 6/201 (40)

Rd 10 saw the E's up against Concordia who beat us earlier in the year; giving the side plenty of motivation to put a good performance on the park. Unfortunately, Concordia's A-grade had been washed out in the morning, and they stacked their LOD side as a result.

Concordia batted first and piled on the runs, posting an impressive 6/201. The reds had very few answers for the power hitting that came late with nearly 100 runs coming from the final 10 overs. With very few highlights in the field, it would be remiss of me to fail to mention a wonderful spell from Heito ([see sponsor list below](#)) who bowled his 9 overs for the extremely tidy figures of 3/18. Despite the onslaught, it was very pleasing to see the boys remain positive in the field and we fielded extremely well. Paul Chapman took two good catches under skied balls on a very windy day, Charlie Aust kept up at the stumps most of the day despite some pace bowling from Burra and Benny Allen, and even Matt Kildea ([proudly sponsored by Avante Mapping Solutions](#)) held onto a low catch despite being incapacitated. Also, a big thanks to Sam Pontifex for his freakish efforts sub-fielding for Tommy Rayner who went off injured.

Chasing a big total we sent out a couple of big hitters in Charlie Aust and James Dalwood who got us off to a swift start as the total moved to 0/40 inside 7 overs, however we quickly lost 5 for 26 and all of a sudden we were pulling out the iPad to see how far off the rain was! Chook Fowler and Tom Rayner dug in and got us through the drinks break but when they both fell along with Boots, we were in deep poo 8 wickets down and the rain still a while away. The injured skipper padded up and hobbled out to the crease and together with BA. With instructions to block em out and wait for the Rain, Benny pulled out the sweep shot first ball, despatching Concordia's A-grade leggie to the fence. As the lightning started to flash and the thunder rumbled we knew we were getting close and finally, the heavens opened and the rain tumbled down. Needing a further 96 runs from 9 overs and just Heito in the shed, we left the ground content in the knowledge that the draw was a fair result.

Despite the lightening, thunder and rain most of the team huddled under a large pine tree to enjoy the team beers and a bit of post-match banter before heading off to the Hackney to enjoy some free beers on the club.

With some fantastic prizes on offer, healthy bids in the raffles and plenty of fun games, we ended up making a profit of around \$2,800.

Massive thanks to Ev Lucas who MC'd, plus Clev, Hurbie, Gern, Walshie and everyone else who contributed to the night's success!
