A big thank you to Rachel Lobban for allowing Ben to play the last two weeks!

We also extend our congratulations to Simon and Emma Butler on their new arrival.

Henry Butler (Born 26 October 2011, 8lb 1oz, 54cm)

B Grade

PAOC 143 lost to Goodwood 9/223

The B's ventured to Goodwood Oval to take the undefeated Goodwood B-Grade. We elected to bat and with the strongest batting line-up seen in the B-Grade for some time and coupled with a good pitch and fast outfield, we had hoped to post a score of in excess of 200.

Things didn't start well with Weed and Drew (proudly sponsored by Hahndorf IGA) both bowled by the evergreen Sargent for 0 and 3. Aaron Richards showed good signs with some strong cover drives but then he holed out for 21, with the score on 27. Lexi, (proudly sponsored by Chris Drew), Weeks and Pitto all got starts but were also back in the pavilion before 20 overs had been bowled with us in deep trouble at 6 for 54 off 20 overs. Looking down the barrel of being bowled out for a score well under 100, PA (proudly sponsored by Westpac Home Finance Newton) and Jesse Vass (in his first B-Grade game) put their heads down and put together a partnership of 32 before PA was out LBW for 22. Jesse then combined with Hamish Eske (16) for a further partnership of 43 to get us to 8 for 129. We had hoped to get to a score of 150 but were bowled out for 139. It was good to see Matty Davis (6*) get off the mark in his 4th attempt this season and to see Mr Infinity, Max Burford (proudly sponsored by Richard Hockney) brought back to earth with his first dismissal this season. Jesse Vass was the pick of the batsman with a composed 36 in his first hit for a few years and no doubt will contribute in the top 4 in the coming weeks.

Having our highest score of the board for the year, we were confident that we could defend it but knew that we would need things to go our way against a strong Goodwood batting line-up. Things started in the worst possible way with Burf bowling Potts off the first ball of the innings with a no-ball. He redeemed himself two balls later trapping Potts plumb LBW, but from then on Goodwood set out chasing down our score with some sensible batting. During this time, our bowlers failed to bowl consistent lines or lengths and contributed 37 to the Goodwood score in wides and no-balls. We were never really in the hunt as Goodwood passed our score 5 wickets down. They ended up 9 for 223 off 50 overs. Burf, Drewy and Lexi each picked up 2 wickets but pick of the bowlers was Pitto who bowled 10 overs of accurate leg-spin, picking up 1 for 22. Pitto should get plenty of work this year based on that performance. He bowled in tandem with fellow spin twin, PA and other than one costly over, PA bowled well, including picking up his first wicket for the club. After the game was over, everyone had a bowl including A Richo bowling the worst ball seen in turf cricket for some time! Jesse Vass impressed with the gloves including a slick leg side stumping off Lexi.

A substandard effort from the B's this game – all players need to improve their training efforts if we are to be a force this summer.

Moo Yoghurt Man Of The Match: **Jesse Vass**

C Grade

PAOCC 200 defeated Brahma Lodge 182

The PAOCCC C-Grade was raring to go against Brahma Lodge; a team moved this year from the hard wicket comp. With arguably the strongest line up we have had this year the boys were keen to get out and put the points on the board.

B grade import Aust and Gav Jones opened the reds batting account, unfortunately neither really troubled the scorers which brought Wints (proudly sponsored by Paramount Browns) and Huddo to the crease. Wints was looking amazing in form until a run out debacle saw him back in the pavilion for just 15. Huddo stuck around with Shultzzy (18) and Mitchell (24) for an extremely ugly 44, with the majority of runs coming off the edge of his bat through slips. It was a necessary innings which allowed for a couple of expression cameos from Presty (21) and Butenko (proudly sponsored by Creative Cardboard Company) (16). After 49 overs the Reds were all out for 200.

Tony (proudly sponsored by Lightsview) the skipper opened the attack and struck first ball of the game, bowling their opening batsmen straight through the gate. Dave Larkins struggled with the new ball in his first over, but pulled himself together in his next, and with tight bowling at the other end, the Reds had Brahma Lodge reeling at 3/16. ENTER JAMES PREST, after his knock of 21, and a wicket 1st ball he was smacked right back down to Earth, with a record breaking 20 ball over containing 14 wides. Predictably Presty was given a rest after his 3-Over over. Tony was puffed, which brought Justin Mitchell and Alex Butenko into the attack who bowled well in partnership, tightening back up to see the opposition at 6/66.

Down to 4 confident bowlers Antony had to resort to some of his part timers which included an over from Tim Hudson who was belted for 16 and immediately sent back to the slips. Mitchell bowled his 10 straight and ended up with the extremely respectable figures of 4 Maidens, 1/25 (10 of which were wides). Boots came back to bowl out his 10 and beside being cracked for possibly the biggest 6 ever seen on Park 15 bowled well for his 1/50 at a critical point in the match.

At this point the Lodge was getting a bit of a run on and with Mitchell and Butenko bowled out Presty came back on for another over to round out his day 2 Overs, 1 for 33 (20 wides and 2 no balls). Gerner (proudly sponsored by Avante Mapping) his was given the chance to redeem himself with his dibbly dobbles, and miraculously broke the Brahma Lodge run taking 2 for 17 of his 3 overs, (only 9 wides). Captain Jack swung himself back into the attack with Larko to try and finish off the match with their last 5 overs. Tonio bowled extremely well and would have had the match wrapped up if not for the appalling hands of a couple of fielders who managed to drop absolute sitters. Thanks to an opposition LBW they did clean up the tail and after a shaky start Dave finished with the excellent figures of 9.4 Overs, 3 Maidens, 3/18 Captain Jack 10 overs, 3 maidens, 2/20.

Brahma Lodge was bowled out for 182 late in the 45th over, seeing the boys claim the points in possibly the worst game of cricket you will ever see from the Red and White.

D Grade

PAOC 160 defeated Grange 125

Warm winds not unlike those experienced sitting next to the likes of Jack Brabham, Sam Tyler, Jack Dent and Michael Richardson on a Saturday night in the Hackney beer garden greeted the D-grade at the ATCA's north pole equivalent, Argana Park for our Round 3 fixture against Brahma Lodge.

We won the toss and the skipper (proudly sponsored by Pyrotek Noise Control) spent more time out in the middle tossing the coin than he did with the bat, in some trouble at 1/0 and then 2/11 when Ben Lobban departed. Michael Clarke (12), Jack Zacker (12) and Ben Cunningham (33) freed the arms and provided some entertainment but at 5/72 after 14 overs, it was looking as if we'd be in the field sooner rather than later. Rowan Tape came to the crease and knuckled down, and was provided with some valuable support from Shane Roberts (7), with the pair getting through an important 8 overs. The wickets continued to fall, however critical little partnerships of 16, 15, 20, 9 and an unbeaten 14 helped us get to a competitive 9/146 off our 40 overs. Rowan Tape batted superbly, facing 80 balls for his 48 not out. Peter Ingman continued his rich vein of form at number 11, with a swash-buckling 8 not out, including stealing the strike for the final over and letting 4 balls go before hitting a boundary and a single to prevent Tapey getting his half century!

Nick Brooks (proudly sponsored by Adelaide Sports Physiotherapy) removed the cotton wool from his shoulder and steamed in off the long run at 80%, looking dangerous. Things didn't quiet go to plan at the other end, the ten other members of the team witnessing first hand the second, and final time the skipper will take the new rock. Conquest Solutions very own Sam Wood (1/19) (proudly sponsored by Conquest Solutions), bowling an uncharacteristically tidy Alex Boots like spell of off-spin got the break through, so hung over he saw a second set of stumps and threw one down leg side, only to have Tapey follow the ball and take a good catch. Joined by Jack Zacker (3/27), fresh from the jungles hunting cougars we started to get on top and at 4/46 the game was ours for the taking. Despite some lapses in the field, Brooks (2/14) returned for a lethal spell of bowling, taking wickets with consecutive balls, while a fired up Shane Roberts (2/10) intimidated at the other end after being harshly adjudged LBW earlier in the day. At 9/84, the ball was thrown to Peter Ingman who took just one ball to get the final wicket.

A great start to the year to win the first three games, but plenty of improvements to be made with bat, ball and in the field should we wish to continue our winning start.

E Grade

Round 3: PAOC versus Kilburn

Match Abandoned.

Round 4: PAOC 7/225 defeated Old Ignatians 155

Gearing up for our first of many away games of the season we had 7 players making their E Grade debut for the season including new players to the Club in Nick "Chook" Fowler and Scott "MmmBop" Hanson-Easey. We won the toss and had no hesitation choosing to bat on a firm wicket under clear blue skies. Andrew Heitmann* (celebrating his "Silver" Anniversary Year and kindly sponsored by the sponsors listed at the end of this report) opened the batting with Jonathan Churchill and unfortunately both got out to dismissals you normally wouldn't see in LOD cricket. Heitmann to a diving 1-hander at gully and Churchill to a ball that shaped in then cut away to clip off stump. Richard Hockney (proudly sponsored by Todd Brown) and Paul Chapman went about steadying the ship and did well to see off the strong opening attack from St Iggies, before starting to capitalise on the change bowlers. Chapman fell for a solid 35 shortly before Burra, ensured we got there in a strong position at 3/103.

Hockney pushed 9 consecutive singles to bring up his 50, then unleashed the fury with his next 30 runs coming mainly in the form of boundaries. Not to be out-done, Reed lifted the tempo and the pair pushed the partnership beyond 100. Hockney was dismissed for a well made 93, while Reed put on a handy 40. John Coop (proudly sponsored by Infocus) did the work in the dying overs with a brisk 13 to get the total to 7/225.

Heitmann had to leave at drinks to make it to Michael Siciliano's (proudly sponsored by Stam Fruit Supply) wedding, But still managed 9 overs and his tight lines lead to scoreboard pressure. At the other end Pat McCole took the new pill and after a wayward start, he found his line and length and settled into his first bowl for the season, and picked up the first wicket. Iggies main man made his way to the crease and after showing he was a class above, we wisely gave him the single for the rest of the day while we strangled them from the other end. At drinks they were 2/70, needing 155 from the next 20.

With the required rate over 7.5, Matt Kildea (proudly sponsored by Avante Mapping) and Pat Sadlier had a bowl and did well to restrict before McCole came back to pick up two in two balls. We brought the field up for the hat-trick ball but unfortunately McCole bowled a wide. Now needing 12 runs per over with just 10 to go and Reed was brought on to close the game out. He picked up the crucial wicket of their key player and then a couple more. When their 7th wicket fell to the first ball of Reed's 8th over, Kildea told him this would be his last so others could have a go. Reed took the skipper at his word and proceeded to finish with a 4-wicket-maiden to wrap up the game. Of special note was the hat-trick ball. Reed bowled a fast ball speared into leg stump that stuck the batsman flush on the pads, we all went up except for Hockney who was seen falling to the ground and grasping at the ball. The ump gave the LBW not out and Hockney proceeded to politely ask the batsman if he wouldn't mind walking, given the ball flicked the bat after striking the pad. Giving Reed an unlikely hat-trick and cap off an amazing game.

In the end we won by 70 runs, but it was Hockney's 93, and VC Reed's 7 wickets, 40 runs, 2 catches and a hat-trick that made the day!
